Re: Student Assessments Annual Notice

Background

In alignment with our annual standards notification, [here](#) is our annual Student Assessment Information notification.

Summary

As stated in [Board policy 2623](#), the School District of Waupaca believes “Balanced, ongoing assessment is essential to the District’s mission of providing an education appropriate to each student. Systematic collection, interpretation and application of assessment data are necessary to determine student learning and progress, to allow for accountability in teaching and learning, and to facilitate appropriate program review.”

Recommendation

This is an annual notification memo, therefore no recommendation is necessary.
